Welcome

African American National Anthem  
Written by James Weldon Johnson

Lift every voice and sing  
Till earth and heaven ring,  
Ring with the harmonies of Liberty;  
Let our rejoicing rise  
High as the listening skies,  
Let it resound loud as the rolling sea.  
Sing a song full of the faith that the dark past has taught us,  
Sing a song full of the hope that the present has brought us,  
Facing the rising sun of our new day begun  
Let us march on till victory is won.
